A. GRACE Prop.

The Stampede, up in the Hills on Tuesday, Wednesday and Thursday, attracted the usual crowds in thousands. A varied program of events was presented each day including broncho busting, bull twisting, and other cowboy stunts, baseball, races, sideshows, etc., not to mention the scores of chuck-a-luck boards and wheels of fortune.

Some very fine flying stunts were given by Aviator Ross in his biplane. A display of fireworks was put on by the local G. W. V. A. on Tuesday night. Hundreds of tents, booths and camping outfits dotted the Stampede grounds, while about 2000 cars were parked on the place. A Bank, Garage, Check Room, and other places of business were stationed on the grounds during the Stampede.

Creek Valley School closed for the summer on June 27th when a public examination of the children's progress was made in the presence of Chairman H. Grayburn. Some of the ladies present were, Mesdames Lewis, A. Baxter, H. Grayburn, Bowler R. Baxter. It is desirable that all the parents attend these functions which would be a great encouragement to the children. Simple dramatizations of Nursery Rhymes and readings were given by the younger children, and readings of their own compositions by the older ones, while a few songs varied an enjoyable afternoon. The promotions are to be found in another column.

There will no picnic and sports at Creek Valley School this summer as Hillenvale asked last year for the affair to be left in their hands for 1919.

Sounding Lake Local U. F. A. No. 670

The General Meeting of the above Local will be held at the Horse Shoe Schoolhouse on Sat. July 12th, at 8 p. m. Sharp.

All members are requested to attend.

PUBLIC NOTICE

A. C. Gudin has been appointed as Poundkeeper for Townships 35-3 and 35-4, and the Pound is situated on the N. W. 1 28-35-3.

The sum of \$200 was turned over to the local branch of the G. W. V. A., this amount being the proceeds from the Sports Day held in June. This includes the collection from the sale of the tags.

Having had several requests for the results of the horse racing we give them below.

Alert Altario

Busy Bideford is no more. The Powers that be have decided that from July 1st the name of this burg shall be "Altario."

It is with some regret we say goodbye to the name "Bideford" which for tradition's sake was dear to the English folks.

The Poet who wrote "East is East and West is West And never the twain shall meet" had not a line on Bideford where the East and West have been joined together in the bonds of old Bideford and appear under the new word Altario. It will take a little time to get used to—let us hope good luck may follow the change.

A Groucher asks why give the honor to Ontario by choosing its suffix, why not give the other provinces a place in the sun as well as the wonderful East. Our friend is a humorist for the suggestion to take the syllable of man from Manitoba and the che from Saskatchewan would result in a very pleasing mouthful, combining the fragments of each province into the word "Al-man-che-ro" which could be shortened to the last bit "Cherio." It surely has a gladsome sound and might possibly have had a cheerful influence on the solemn ones in our midst whose faces are as long as a week. We cannot explain why Ontario was paid the compliment for the Easterners are not in a majority amongst the list of farmers who have made

MORTGAGE SALE OF FARM PROPERTY NEAR MONITOR, ALBERTA

PURSUANT to the directions of the Registrar, and by virtue of the Powers of Sale provided by The Land Titles Act, under a certain Mortgage which will be produced at the time of the sale, there will be offered for Sale by Public Auction by A. H. Garies, Auctioneer, at the Monitor Hotel, in the Village of Monitor, in the Province of Alberta, on

Saturday, the 19th day of July, 1919 at the hour of 2 o'clock in the afternoon

The following property, namely:

The North-West Quarter of Section Nine (9), Township Thirty-Six (36), Range Four (4), West of the Fourth Meridian, in the Province of Alberta

Terms of Sale to be Twenty per cent. cash at the time of the sale and the balance according to the terms and conditions to be made known at the time of sale, or upon application of the vendor's solicitors.

The above property will be offered for sale on bid subject to a sealed reserve bid, and free from all encumbrances save taxes for the current year.

The vendor is informed that the above property is situated about Nine Miles from the Village of Monitor, and that the property consists of One Hundred and Sixty (160) Acres, of which One Hundred and Fifty-five (155) Acres is good arable land, and Five (5) Acres of low land suited for hay or pasture. The property is fenced on Four sides with Two-strand wire fence and Poplar posts. There are two wells on the property, which is situated about Nine Miles from a Church, and Two Miles from a school. The soil on the said property is sandy loam with subsoil, averaging approximately Eighteen inches in depth. This property is situated in a settlement of English speaking people. There are the following buildings on the said property: Lumber house (16x20), Lumber house (10x12), Granary, lumber (14x10), Sod Barn (20x30). There are about Fifty-five (55) Acres of the said land under cultivation this year.

For further particulars and conditions of Sale apply to Messrs GRIESBACH, O'CONNOR & COMPANY, Solicitors, Edmonton, Alberta.

Dated at Edmonton, in the Province of Alberta, this 18th day of June, A. D. 1919.

GRIESBACH, O'CONNOR & CO.
Vendor's Solicitors
Approved: H. J. Dawson, Registrar.

good. We find it is the old countrymen of Britain, Norway and Sweden who came from a still more wonderful and farther East who have most to show for their years in Canada, also the men from the States, the live wires full of pep, who have succeeded against long odds.

But why worry, what's in a name? On the birthday of Altario, which by the way was Dominion Day, a most delightful shower of rain fell rejoicing the hearts of everyone. Here's how to Altario, may she always be Alert and Active and Allshe-shouldbe.

Two well attended meetings were held by the W. I. of Bideford when Miss Crosby, Public Health Nurse, lectured on Home Nursing & Maternity. The audiences were large and appreciative and the lady dealt with her subject in a most interesting manner. Discussion followed and tea served. The town ladies were hostesses in the schoolhouse, the second meeting being held at the home of Mrs. Wright.

Vic McLeod and Leslie Robinson have returned home from overseas, both well and fit.

The Outstanding Product of a Large Manufacturing House

FOUR large factories and five distributing warehouses stand back of Brandram's Genuine B.B. White Lead.

Every step in its manufacture is closely watched by chemical engineers nothing is left undone which would help to maintain the quality of the world's finest white lead.

Brandram's Genuine B.B. White Lead

is different from any other white lead. To begin with, it is extracted by several secret processes which are then merged into a pigment of rarest smoothness. This pigment is ground no less than five times, first under huge stones, and finally between heavy steel rolls. In this grinding process, it is made into a pulp by being mixed with pure refined linseed oil made in our own linseed oil mills.

Whenever you paint, use Brandram's Genuine B.B. White Lead if you mix your own paint. If you want to save the labor of mixing you can ensure the use of this quality pigment only by getting B-H "English" Paint.

Every Farmer
In This District
Should Read The
Nor'-West Farmer

Western Canada's Oldest Farm Paper

If you are already a subscriber you will want to renew your subscription for another year, and if you are not a subscriber to it you ought to be. No farmer in these days of high prices and labor shortage can afford to do anything but his very best. Through a good farm paper you will get ideas worth many times the small subscription price. Each issue of The Nor'-West Farmer is full of valuable information that any up-to-date farmer can use to his own direct advantage. It is edited for the whole farm family. If any reader wants information on any subject relating to either their farm problems or anything else The Nor'-West Farmer information bureau will get that information for them. Their official veterinarian and legal adviser is at the service of every subscriber, free of all charge. If you have a weed problem, a soil drifting problem, a feed problem, tractor, automobile, or gas engine trouble of any kind, read The Nor'-West Farmer, and you will soon get a wealth of ideas from the experience of other farmers who have experienced and solved similar difficulties. The Nor'-West Farmer is a "round-table," around which the best farmers of Western Canada meet. Will you be one of them?

Note and Comment

Basin Lake School District

The Basin Lake School will be completed in a few days and teaching will commence at a date to be given shortly. Mr. Teetzel, who taught so successfully at Hillanville School last Spring, has been engaged as teacher, and he hopes the Basin Lake children will attend school immediately it is opened so that the classes may be tested without delay. A public meeting of the ratepayers has been called for Saturday, July 5th, at 6:30 p. m. to receive a report of what Official Trustee McLean has done up to the present, and it is expected that as soon as the school is in working order that Inspector Gray will take over the District for the remainder of the year, when the ratepayers will take charge.

Creek Valley Promotions

Tests were held and the following promotions made at the Creek Valley School:

To Grade VIII.
M. Lewis, S. Teetzel, S. Buckway
Seena Buckway.

To Grade VII.
M. Teetzel, A. Helgeson, M.
Baxter, G. Lewis.

To Grade IV.
F. Buckway, J. Baxter, J. Osavitsky,
T. Teetzel, T. Baxter.

To Grade III.
G. Baxter, H. Baxter.

To Part II, Grade I.
S. Osavitsky, A. Bush, J. Irwin,
D. Buckway, N. Grayburn,
E. W. Teetzel, Teacher.

Health Inspection In Schools

Fee charged is very small and
work will have far-reaching
effect on the health of the
coming generation

It is of prime importance that School Trustees should avail themselves of the services of the Public Health Nurses who are stationed in different centers in the Province to conduct child welfare stations and to inspect the children attending school. Although for years it has been optional with the trustees in rural school districts to have medical inspection of the children attending school, but a small percentage of have ever been so inspected. To render this service more general and at the same time to reduce the expense to School Districts,

registered nurses are being qualified to do this work. In the various cities, towns and villages throughout Canada where there is inspection of schools by doctors and nurses, about forty per cent. of the children are found to have ailments that are prejudicial to health. Altho the Legislature did not make such inspection compulsory in rural schools, it is inconceivable that any board within striking distance of where a Nurse-Inspector is located will do night, else except send a request at once that the school be inspected. The Dept. of Health trains the nurses, pays their salaries and living expenses, and the school district is asked to pay only a maximum of \$20 with a minimum of \$10 for such inspection of all children attending any rural school. There is heavy demand from various parts of the Province for such inspection.

The necessity of such inspection may be illustrated by the average result of such inspection in 1910 of the school of ten leading cities in the States, where on an average of 1000 children inspected it was found that the defects and ailments actually injurious to health at the time of inspection in the following number of children, as to teeth 415, throat 201, eyes 153, nose 108, glands 118, ears 30.

Prof. Osler, recently addressing the Academy of Medicine in London, Eng., said "If I were asked to say whether more physical deterioration was produced by alcohol or by defective teeth, I should say by defective teeth."

If school trustees are in any doubt as to the beneficial result of the inspection of their school by a nurse-inspector, they are advised to write the Sec-Treas of any of these schools, Con-Consld, Crystal Lake, Pioneer, etc., near Lethbridge; Rainbow, Scottfield Consld; near Youngstown; Vermilion, and others.

Several towns and villages are now co-operating with the trustees of the surrounding districts so that a nurse may be stationed to conduct child welfare work and to inspect the schools and give health talks in every district. But it should be clearly understood, however, that no nurse will be placed at any centre to do child welfare work, except in connection with school inspection.

The average parent in the Province is alive to the necessity of thorough inspection of all school children, lest one of his children may be a desk-mate to a child afflicted with a communicable or other disease. In some school districts it has been found that there are forty ratepayers and only a few children attending school, therefore the minimum fee of \$10 applies and the cost to each rate-payer is but 25 cents. It seems quite clear that as to any trustee who does not bestir himself and have his school inspected, his services as a trustee will not long be required in any district. Requests have come from several districts to recall trustees who are not active in taking steps to secure school inspection.

The Public School Inspectors are very enthusiastic over this work and are willing to give all the assistance they possibly can to assist in the necessary organization or in any other way.

Something New Something Helpful The B-H Color Scheme Adviser

WOULD you like to "see" your house in its new coat of paint, before you paint it? You can. The Brandram-Henderson "Color Scheme Adviser" enables you to try out different color combinations before deciding on the color scheme most pleasing to your eye.

This unique device consists of a transparent outline of a house, behind which you place color cards of every known shade—one color for the walls and another color for the roof. With the transparent sheet, there comes a set of 40 cards each of a different color. First you try a white card on the walls, in combination with a green card for the roof. Then you try a brown card behind the wall section of the transparency, along with a red card for the roof. And so on, until you have exhausted the possibilities of every known color combination. We have one of these "Color Scheme Advisers" and will be pleased to let you experiment with it before you select your

B-H "ENGLISH" PAINT 70% Pure White Lead
30% Pure White Zinc
100% Pure Paint

for the Spring painting of your house or any other building. Of course you are going to paint this Spring—and equally, of course, you are going to use B-H "English" Paint—the paint with the guarantee behind it.

Our store is the B-H Store—which means that this is paint headquarters. The outstanding reputation of this brand is based on its superior covering capacity and exceptional durability—both of which features we know to be due to the combination of Brandram's Genuine B.B. white lead and pure white zinc. With the makers of B-H "English" Paints maintain in spite of the repeated advances in the cost of these ingredients.

Color Cards from our local agents.

ed friends in this district last
week.

The regular meeting of the
Ladies Aid will be held in the
Church on Wednesday after-
noon. All members are urgent-
ly requested to be present.

The shower yesterday after-
noon just nicely settled the dust
and cooled things off a bit. On
Tuesday it also rained, at least
as many as a hundred and one
drops falling during this event.

Among the recent arrivals
from overseas were the follow-
ing local men: M. Buckway, N.
McDonald, M. Melvin, A. Menzies
McLenn, Carter and Roul.

Considerable damage resulted
from the hail storm which visit-
ed the district northeast of here
last Thursday afternoon. A
few who suffered loss were
Messrs Harley, Martin, Mitchell
Rankin, Sommers and Vidas.

A considerable number of
windows were broken, and
gardens damaged.

There was a considerable
number of visitors at the clos-
ing exercises held in the School
on Monday afternoon. The
scholars gave a varied program
of songs, readings, etc., which
were greatly enjoyed by those
present. During the afternoon
refreshments were served.
